TERMINAL DISCLAIMER UNDER 37 C.F.R. 1.321(b)

I, David K. Purks, am an attorney of record of the disclaimant, International Business Machines Corporation, and am authorized to execute this disclaimer on behalf of International Business Machines Corporation. The disclaimant, International Business Machines Corporation, having a principal place of business at Armonk, New York 10504, is the owner of all right, title, and interest in the above-identified application, by Assignment recorded on January 5, 2001, and recorded at Reel 011451, Frame 0157.

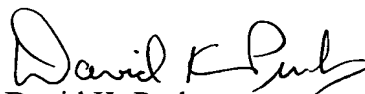

The disclaimant hereby disclaims, except as provided below, the terminal part of any patent granted on the above-identified application that would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. §§154 - 156, §173, and any other relevant statutory provision of U. S. Patent No. 6,446,110 as presently shortened by any terminal disclaimer, which patent was assigned to the above-identified disclaimant by an Assignment recorded on April 5, 1999, at Reel 009880, Frame 0008.

Disclaimant further agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the patent granted on the above-identified application and U. S. Patent No. 6,446,110 are commonly owned. This agreement runs with any patent granted on the above-identified application, and is binding upon the grantee, its successors, or assigns.

Nothing herein shall be construed as a disclaimer of any terminal part of any patent granted on the above-identified application that is prior to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 - 156 and §173 of U. S. Patent No. 6,446,110, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to

pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any matter terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer.

Respectfully submitted,

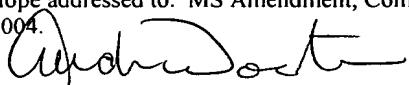

David K. Purks
